## Share your story!

Have you used or tried to enroll in New Hampshire Medicaid in the last 5 years? **We want to hear from you.**

Rights & Democracy Institute is collecting surveys to better understand people's Medicaid experiences in New Hampshire. **We will use responses to advocate for a more inclusive, stronger and more accessible Medicaid system.**

The survey takes 15-20 minutes to complete.

You will receive \$25 for completing the survey. We will reach out to coordinate this within a week after you submit.

**To learn more, sign up to take the survey online, or get assistance filling it out, scan the QR code!**
