

HELP US IMPROVE MEDICAID

Share your story!

Have you used or tried to enroll in Medicaid, Green Mountain Care, or Dr. Dynasaur in the last 5 years? **We want to hear from you.**

The Rights & Democracy Institute is collecting surveys to better understand people's experiences with Medicaid in Vermont. **By sharing your experience, you can help strengthen this program** for everyone in our state, so that we can all get the care we need.

The survey takes 15–20 minutes to complete.

After submitting, you will receive \$25 for your time. We will reach out to coordinate this 1–4 days after you submit.

To learn more, sign up to take the survey online, or get assistance filling it out, **scan the QR code!**
